

STATEMENT OF PURPOSE

RS22428

The Board of Pharmacy (Board) desires to clarify that a wholesale distributor must not only verify that persons to whom they distribute are registered by the appropriate state licensing agency pursuant to Section 54-1754(2), Idaho Code, but that if the distribution contains controlled substances, that the wholesale distributor must verify that the person receiving such distributions is registered with the Drug Enforcement Administration and the Board unless exempted by state or federal law, pursuant to Section 37-2716, Idaho Code.

FISCAL NOTE

There will be no fiscal impact.
